

# GP520

Plastic Padlock Seal

## Product Description

- Made of Polypropylene (PP) body
- Free movement in locking mechanism prevents glueing, and allows integrity of the seal to be checked easily
- Company logo and 8 digits consecutive numbering on the flag
- Laser and digital thermo printing options
- Barcode option for easy data entry and mobile applications (Code1 28, Int 2/5, etc.)
- Hasp design allows single-handed application
- Various colours for logistical functions
- Customer name/logo for clear identification
- Mats of 5 or 10 seals allows sequential distribution

## Application

Trolleys, Airlines
