

Boxloc BL01

Attached Lid Container Seal

Issue: Jan 2018

The Boxloc BL01 seal is suitable for most attached lids containers available in the U.K. market, e.g. Loadhog, Schoeller-Linpac, which includes Linpac Allibert, Linpac Paxton and Schoeller Arca Integra and Integra Light, George Utz and Rehrig.

The primary level of security will depend upon the attached lid container design - all those listed above achieve a good level of security.

Boxloc BL01 is only available in pairs as a plain seal - if serial numbers or barcodes are required the Boxloc BL02 needs to be considered.
