

Boxloc BL02

Attached Lid Container Seal

Issue: Jan 2018

The Boxloc BL02 seal is suitable for most attached lids available in the U.K. market, e.g. Loadhog, Schoeller-Allibert, Paxton, Schoeller Arca Integra and Integra Light, George Utz and Rehrig.

The primary level of security will depend upon the attached lid container design - all those listed above achieve a good level of security.

Additional security is achieved by having a sequential serial number printed on the tag.

Technical Data

Applications

Securing the lids of attached lid containers

Material

Polypropylene

Average Breaking Strain

7kg
