

Taliloc

Pull-tight Security Seal

Issue: Jan 2018

The Taliloc is a pull-tight security seal designed for securing a variety of plastic bags, waste sacks, containers, & tote boxes. The Taliloc offers complete tamper-evidence, as once it is sealed it cannot be opened without breaking. To aid in traceability and security each Taliloc is printed with a unique serial number.

There is also the option for up to two lines of custom text, each up to 17 characters long (subject to Minimum Order Quantities). We can also print customer logos, or barcoding, subject to MOQ's and additional charges.
