

Tieloc

Cable Ties

Issue: Jan 2018

Talisman's Tieloc range are suitable for sealing bags, boxes, cage, etc., where there is not a requirement for tamper evident security. The range varies from 100mm to 450mm long and tensile strengths from 8.1kg to 79.4kg

The Tieloc clinical waste seal can be used in conjunction with printed labels which provide the clinical waste audit trail.

Technical Data

Applications

Talisman's Tieloc range are suitable for sealing bags, boxes, cages, etc., where there is not a requirement for tamper evident security. Black cable ties are recommended for outdoor use, as they have higher resistance to ultra violet light.
